

Yong Joo Kil - Visuals

Institute for Data Analysis and Visualization (IDAV), University of California, Davis,
One Shields Ave., Davis, CA 95616-8562, USA.
kil@cs.ucdavis.edu, <http://graphics.cs.ucdavis.edu/~yjkil/>

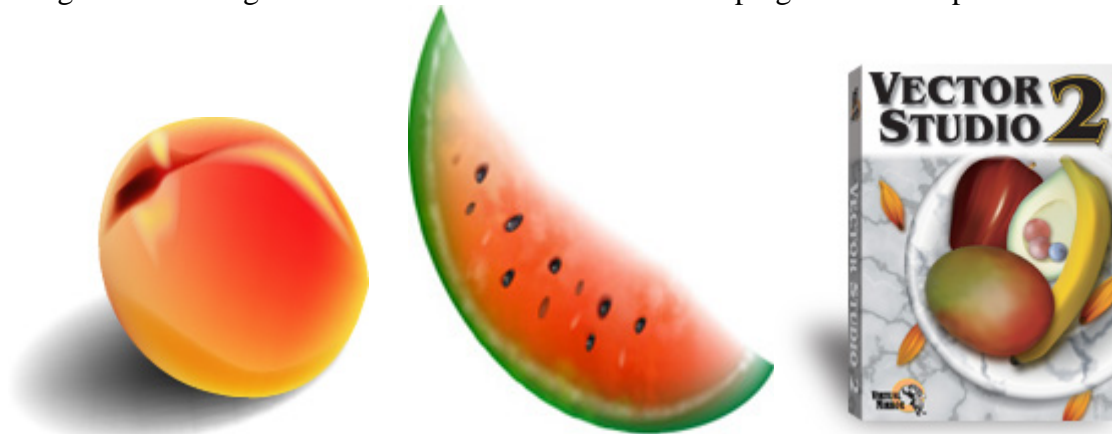

Hand Drawings (Size: 18" x 24")

I used either compressed charcoal or vein charcoal. Most life figure drawings are quick sketches done between 10 to 30 minutes.

Digital 2D Drawings (Vector Arts)

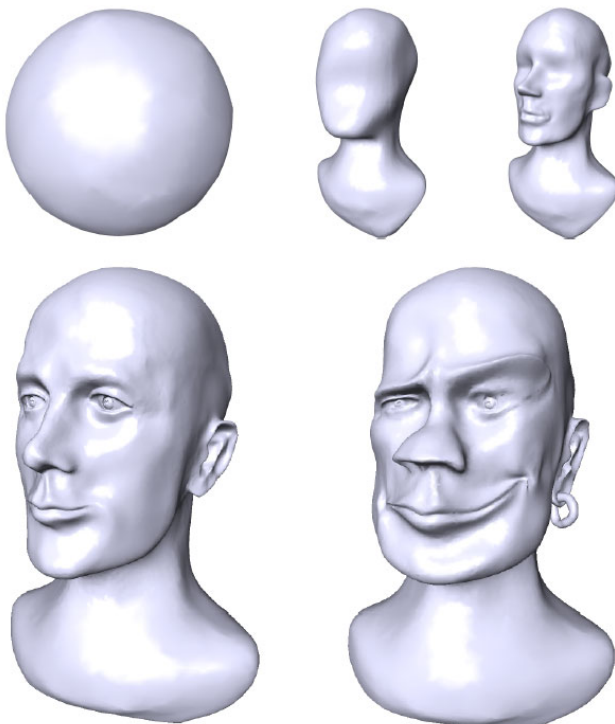

All generated using vector arts in Adobe Illustrator with plug-ins I developed.

Digital 3D Sculpting

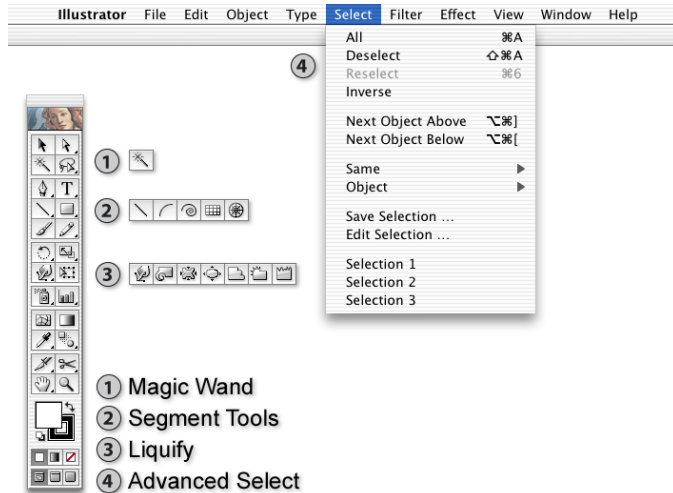

Sequence of snapshots from an interactive modeling session. An initial surface (a sphere) is warped into a complex bust using several brushes and warp operations.

Y. Kil, P. Renzulli, O. Kreylos, B. Hamann, G. Monno, O.G. Staadt. "3D Warp Brush Modeling," Journal of Computer and Graphics, ELSEVIER, Vol. 30, No. 4, 2006.

Adobe Illustrator Components

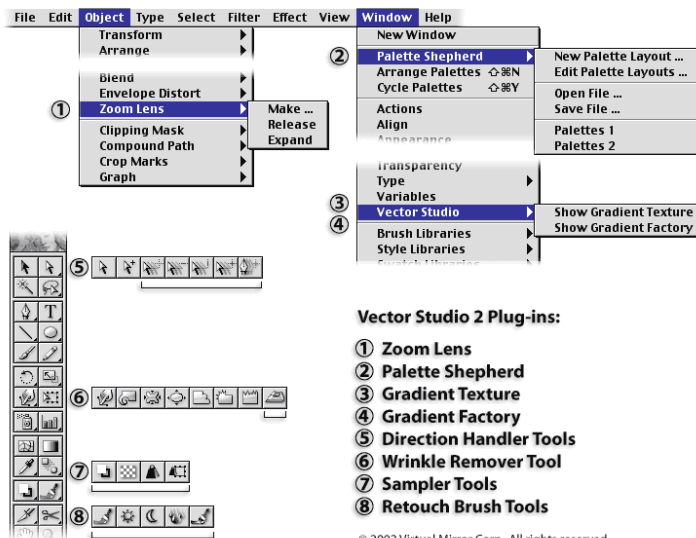

These are components that I developed, which can be found in Adobe Illustrator 10, CS, CS2. You can find my name under e.g. Help>About Plugins>Liquify.

Adobe Illustrator Plugins

These are 3rd party plugins which I've help program during my employment at [Virtual Mirror Corporation](http://www.virtualmirror.com). I've also designed the box cover using our developed tools, which you can see here.

Vector Studio 2 Quick Start Guide

Vector Studio 2 Plug-ins:

- 1 Zoom Lens
- 2 Palette Shepherd
- 3 Gradient Texture
- 4 Gradient Factory
- 5 Direction Handler Tools
- 6 Wrinkle Remover Tool
- 7 Sampler Tools
- 8 Retouch Brush Tools
